*In 1994, I gave birth to both Katie and my first album,  
From The Heart. I wrote this song for her because I believe it's  
important that our children learn how to listen to their inner voice  
and to trust their instincts.*

I believe in God and in the heavenly light  
I believe that angels guide us through the night  
I believe that love will see us through  
Oh God knows, I believe in you

A river runs to the ocean as fast as it can  
We are all part of a bigger plan  
And in troubled waters, I know you'll pull through  
And God knows, I believe in you

### CHORUS

Don't wait to see what tomorrow brings  
Learn to fly on your own wings  
Remember whenever you don't know what to do  
Everything's right there inside of you

Every generation is a product of the last  
Stumbling through the darkness, in the shadow of the past  
But I can see your light come shining through  
Oh God knows, I believe in you

When you are torn and broken in two  
Listen to your heart and what it's telling you  
Don't worry you'll make it through  
Oh God knows, I believe in you

### CHORUS

I believe in God and in the heavenly light...
