

## I'M A CANADIAN EH

*Music: Jeanette Arsenault*

### CHORUS

I'm a Canadian, Eh  
That's all you have to do is say "eh"  
It's the Canadian Way to say "eh"  
To be Canadian is to say "eh"  
It's so Canadian to say "eh"

I went searching for my Canadian identity  
To find out what makes me .... me  
Is it that I treat people so nicely  
Or that I can communicate bilingually  
Mais oui, comment ça va, eh?  
What is it that makes us different from the rest?  
What is that we do when we're at our best?  
Where do we fit in the global situation?  
And what do people say when they talk about our nation?  
Well we have 10 provinces and 3 territories  
And we have our share of legends and glories  
But what really makes us stand out in a crowd  
Is when we say out loud

### CHORUS

Eh is only a 2 letter word  
But it can cut whole sentences down by a third  
For instance: isn't that right? Don't you agree? You don't say!  
Can all be replaced just by saying "eh"  
Not only is it easy and so simple to do  
But it turns out to be quite handy too  
You see we have a great reputation  
Whenever we travel when we're on vacation  
You can bask in this Canadian praise  
If you learn to use this world-famous phrase  
In the event you might have missed it before  
Here it is once more
